How your money helps

This is Vin. Her family were exiled to the jungle when she was young, and they struggled to survive. With no food and no money, they became desperate. Her father decided to sell Vin to provide rice for the family, and he passed away shortly after. Her mother and siblings were able to escape the jungle and found CRY's fish farming project where they were taken in and cared for.

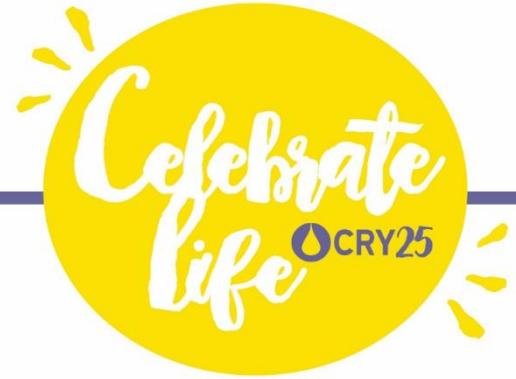

We set off to find Vin. On a rescue mission, a group from CRY's project went into the jungle to rescue her, and she was brought back to safety alongside her family.

This is just one of many stories of how children around the world are being rescued daily thanks to CRY. From starvation, homelessness, loneliness and having no hope for the future, to being rescued, restored, happy and loved.

Thank you! The money you raise will help this to be repeated worldwide!
